## SEARS' PICTORIAL FAMILY PUBLICATIONS

are decidedly the best books that agents can possibly em-  
ploy their time in supplying to the people of the United  
States. They are valuable for reference, and should be  
possessed by every family in this great republic. There is  
not a city or town, or village, or hamlet, or place, where  
there is not a copy of these books, and they are the only  
works of the kind that are adapted to the style of the  
literary wants of the Christian, the patriot, the statesman,  
the scholar, the student, the family, the school, the  
workshop, and are not only good books as well as  
well sold, but are such an agent of good principle will  
feel proud to recommend, and willing to see the purchaser  
again after they have been bought.Our plan.—The plan the publisher has so successfully  
carried out for several years, is the obtaining responsible  
men as agents, who are well known in their own com-  
munities, and have time and disposition to circu-  
late good and instructive books among their neighbors.

will receive an assortment as he may direct, at the whole-  
sale cash prices.Rapid and active men of respectability and good  
address, would do well to engage in the sale of the above  
volumes; and all postmasters, clergymen, book pedlars,
